A giraffe in the bath – now does that make you laugh?

An owl with the flu? Or a roo on the loo?

A crocodile with style – now does that make you smile?

A Giraffe in the Bath is a very funny picture book featuring an amusing array of animals in wildly imaginative – and increasingly precarious domestic situations.

Rich in visual detail with wonderful, giggle-inducing illustrations by **Kerry Argent**, this fabulous new collaboration between the one-and-only **Mem Fox** and her talented protégé **Olivia Rawson** is a vibrant and magical picture book that children will revisit again and again.

Perfect for reading aloud and laughing with little ones, **A Giraffe in the Bath** is a rollicking, rhythmic adventure with a hilarious cast of zany friends to be treasured for years to come.
